

### ***Mentor Training Program:***

This exclusive program provides professional career guidance to candidates to help them achieve maximum career advancement.

It utilizes the exclusive **Route 5 Career Pathway Plan** to help career mentors guide candidates toward targeted career goals. These include:

- Positioning the candidate on the targeted career path
- Preparing the candidate for targeted career opportunities
- Placing the candidate in targeted career paths
- Teaching the candidate how to achieve his/her maximum professional potential in his/her high school, college, and work environments
- Helping the candidate to achieve personal satisfaction in high school, college and work environments

**The selection of 5 “P” Career Growth Goals, and associated tasks, guide the candidate in this process:**

- **15 tasks to position the candidate on his/her targeted career path**
- **10 tasks to prepare the candidate for targeted career opportunities**
- **5 tasks to place the candidate in targeted career paths**
- **5 tasks to teach the candidate how to achieve his/her maximum professional potential in his/her high school, college, and work environments**
- **5 tasks to help the candidate to achieve personal satisfaction in high school, college and work environments**
